**Either...**

You will see this screen, in which case click **'Sign in'** and go to step 5.

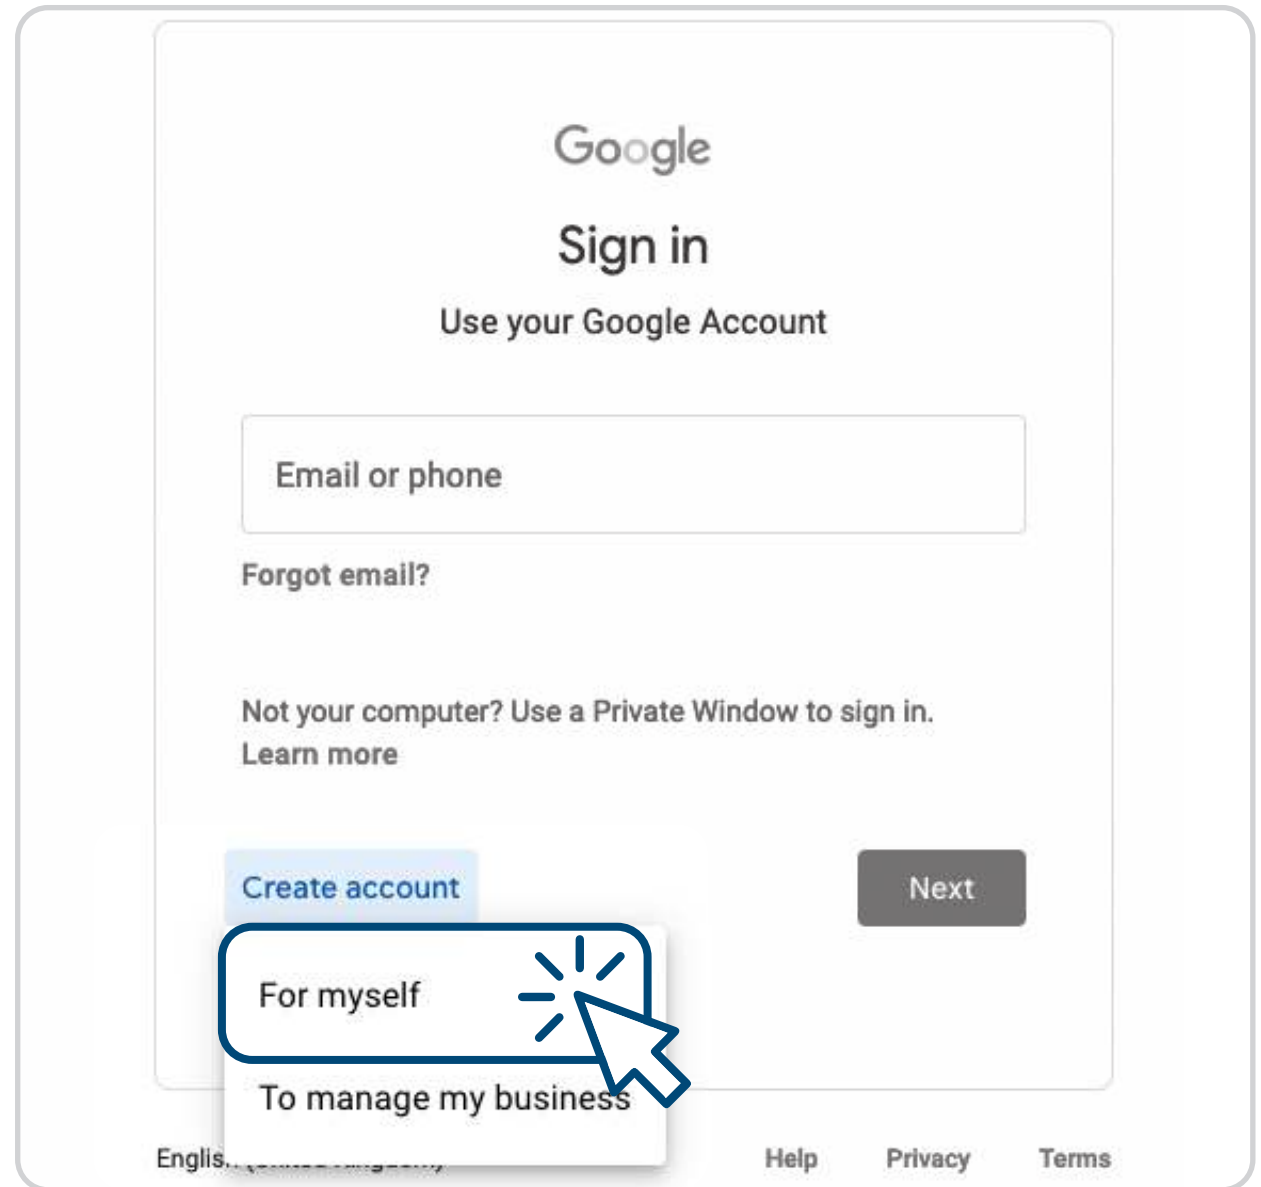

**Or...**

You will see this screen. In which case, click **'Use another account'**.

5

Click **'Create Account'**,  
then **'For myself'**.

# 6

Add your name.

Add your preferred email address.

Create a password.

Then click **'Next'**.

The screenshot shows the Google account creation interface. At the top, it says "Google" and "Create your Google Account". There are three main input fields highlighted with blue boxes and lines pointing to the instructions on the left:

- The first field is for the name, split into "Paul" and "Jones".
- The second field is for the email address, containing "pauljones1965@gmail.com". Below it, a note says "You can use letters, numbers & periods".
- The third field is for the password, containing "Password789" in two boxes. Below it, a note says "Use 8 or more characters with a mix of letters, numbers & symbols".

Below the password field, there is a checkbox labeled "Show password" which is checked. At the bottom right, there is a blue "Next" button with a mouse cursor clicking it. On the bottom left, there is a link that says "Sign in instead".

# 7

Add your mobile phone number to receive a verification code.

Add your date of birth.

Select your gender.

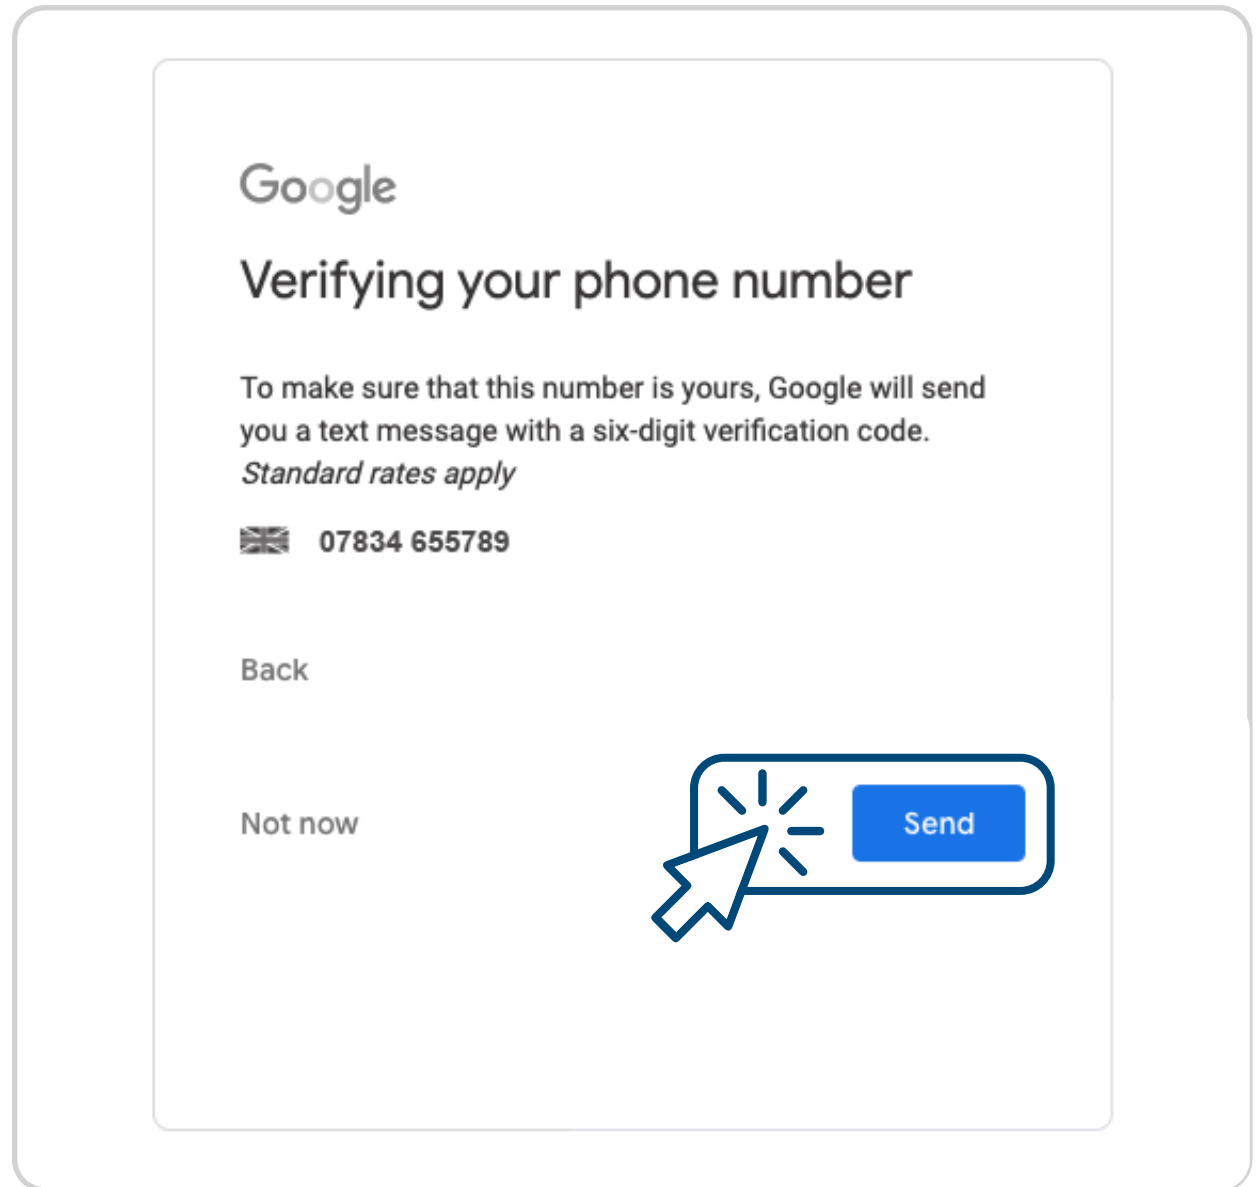

Then click **'Next'**.

The screenshot shows the Google account creation interface. At the top, it says "Google" and "Welcome to Google". Below that, the email address "pauljones1965@gmail.com" is displayed. The form contains several fields: a phone number field with a dropdown for country (set to the UK) and the number "07834 655789"; a recovery email address field; a date of birth field with separate boxes for "Day", "Month", and "Year"; and a "Gender" dropdown menu. A "Next" button is highlighted with a blue glow and a mouse cursor pointing to it. Three blue lines with circular endpoints point from the text instructions on the left to the phone number, date of birth, and gender fields respectively.

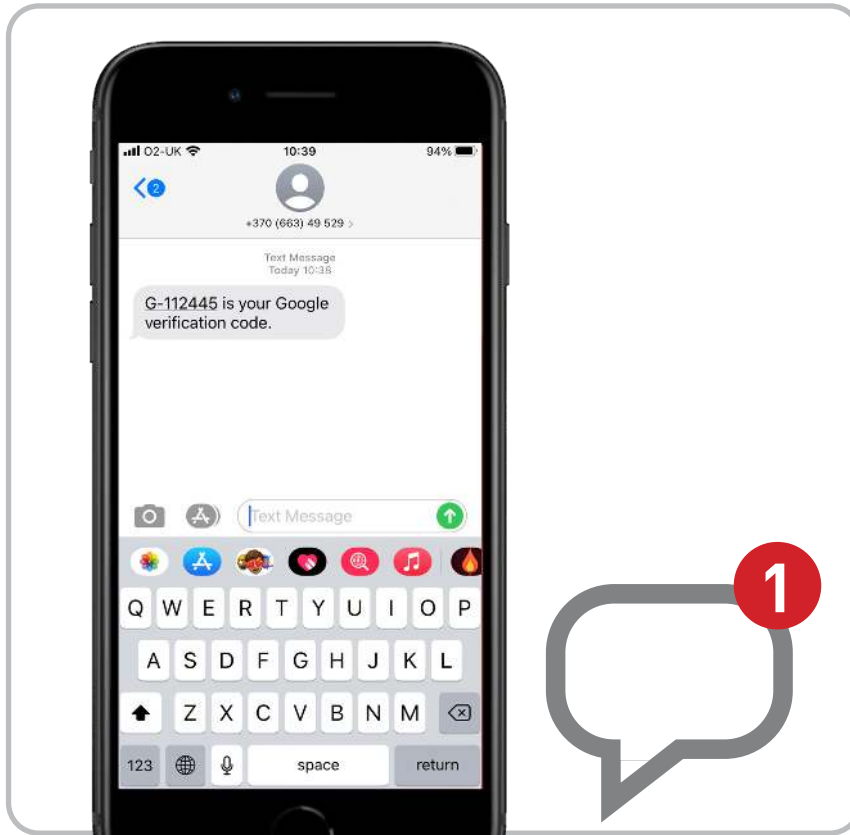

Google now wants to send you a code to verify your number.

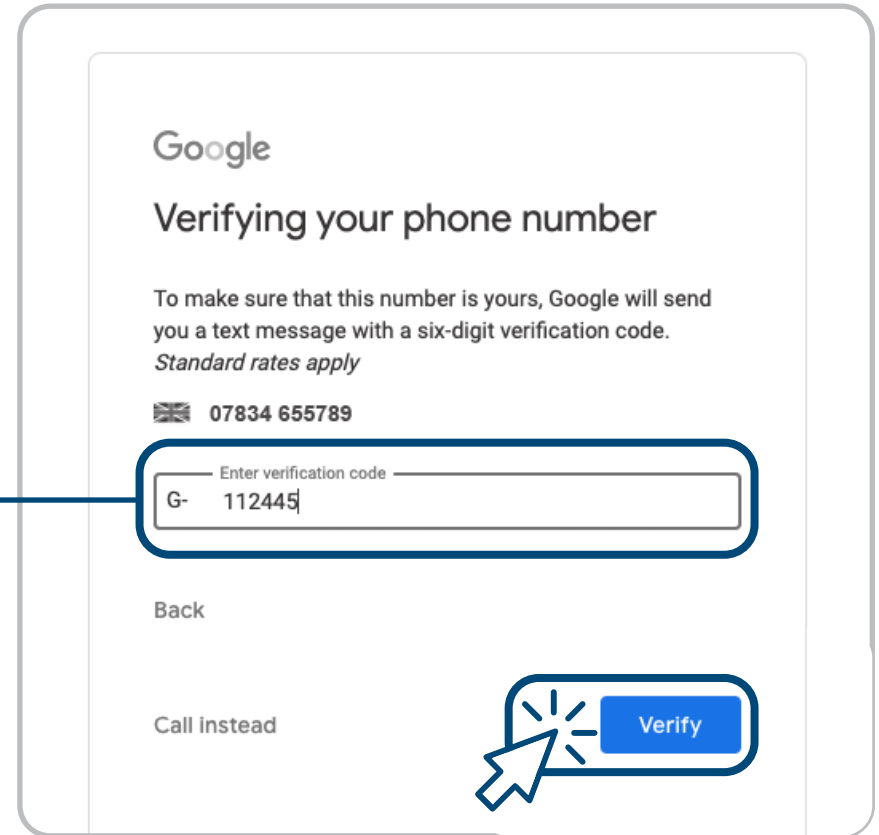

Click **'Send'**.

9

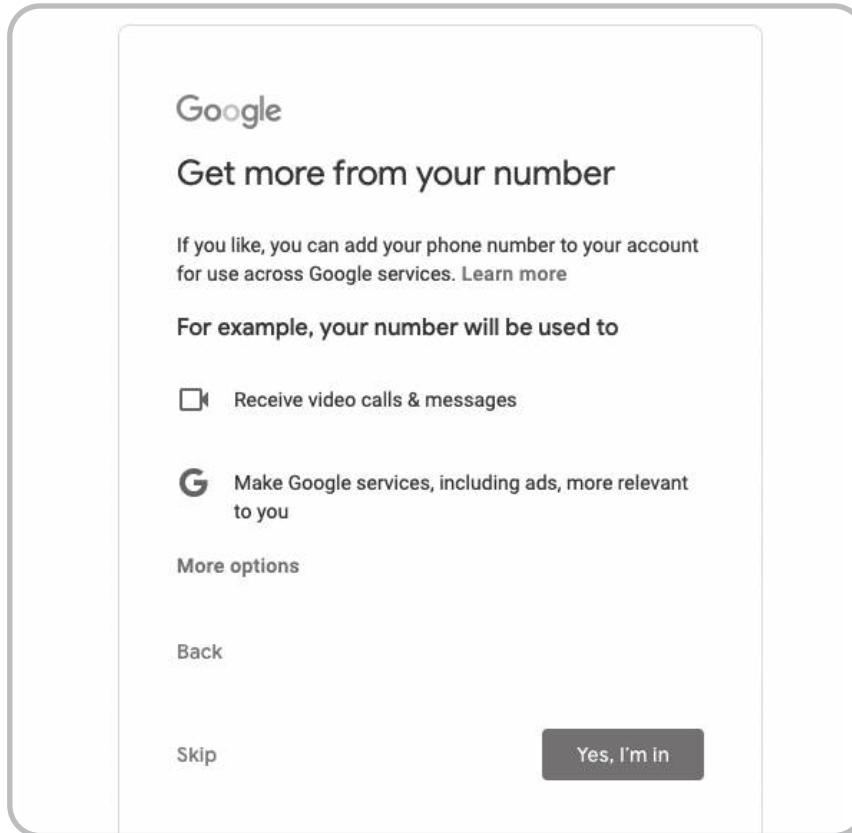

Check your phone messages for this code.

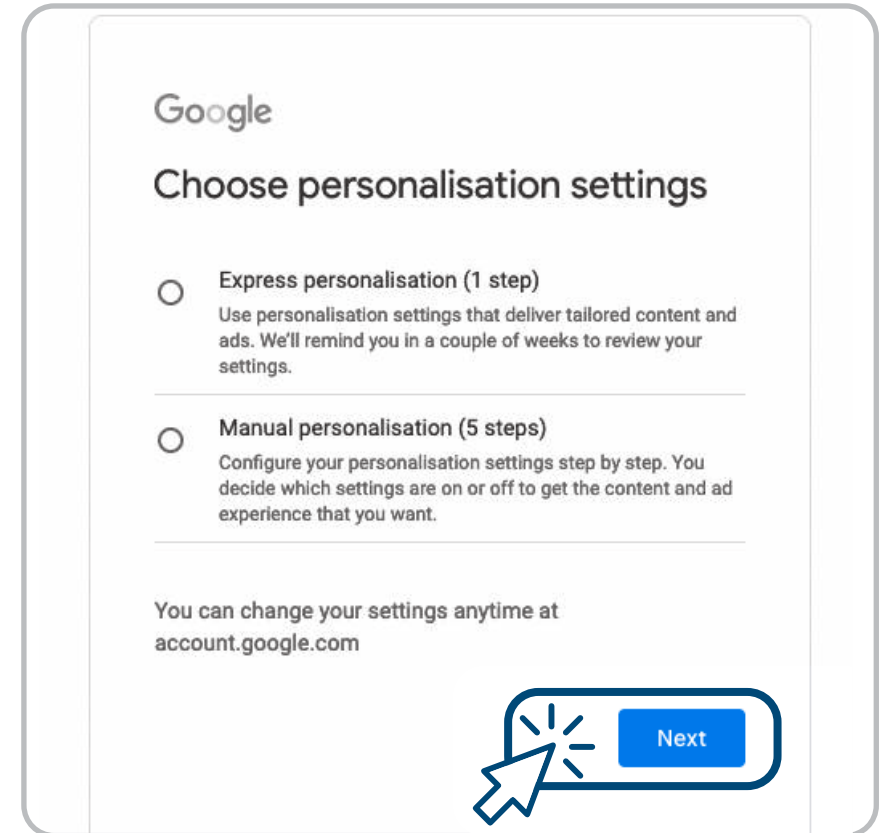

Enter the code and click 'Verify'.

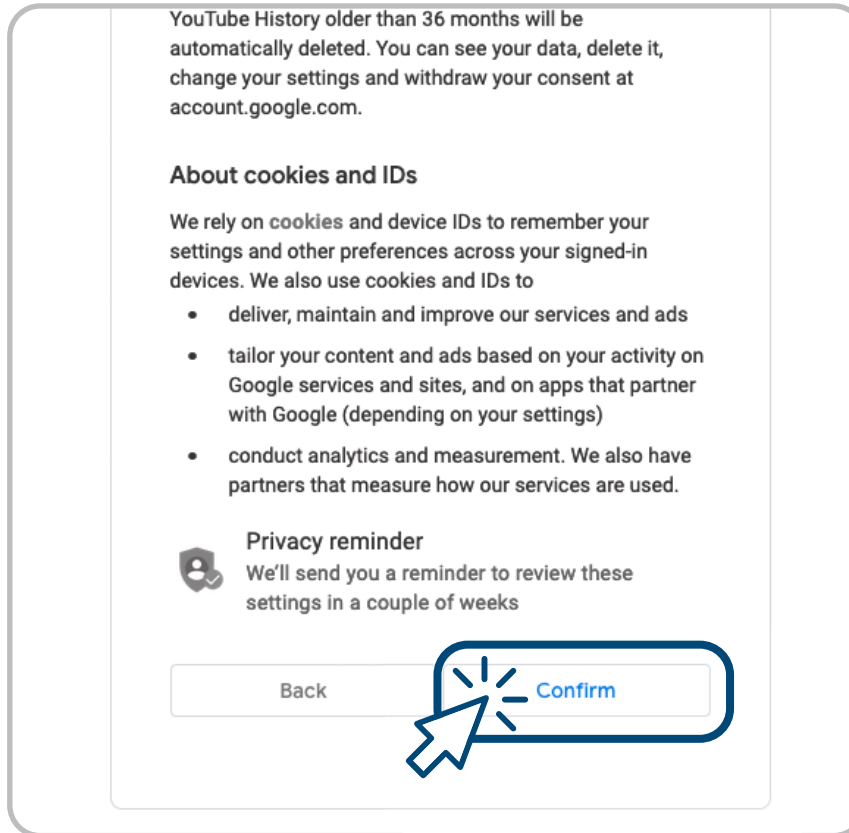

10

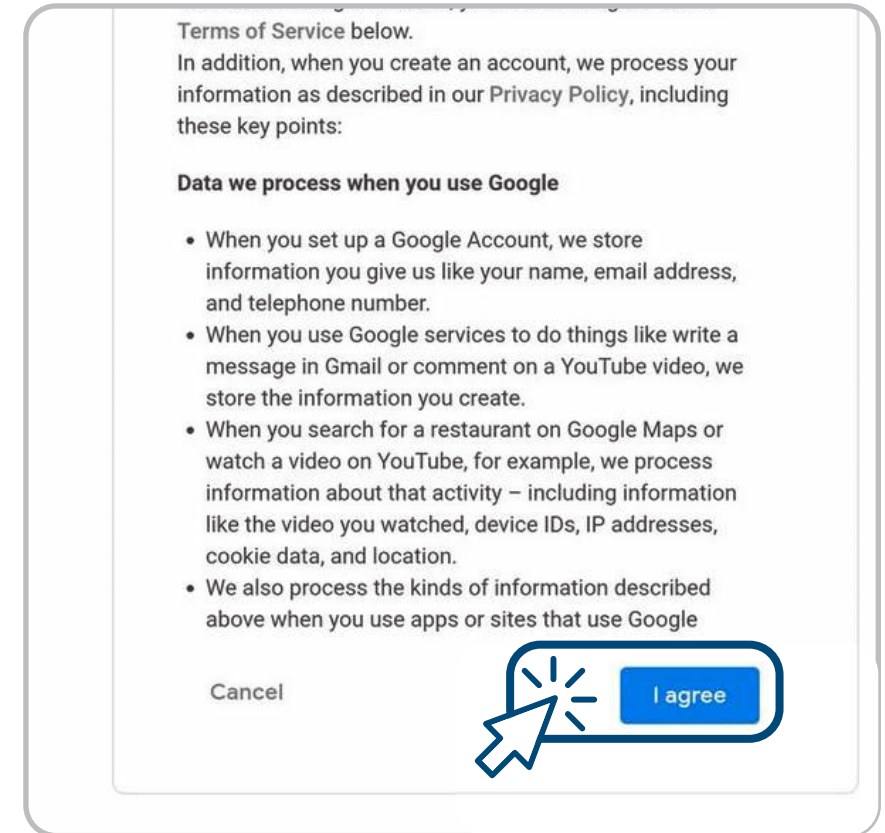

Select your preference for using your mobile number (you can skip this step if you prefer).

Select the personalisation setting you prefer, then click '**Next**'.

Click '**Confirm**' at the bottom of the personalisation settings and cookies screen.

Click '**Agree**' at the bottom of the Privacy and Terms screen.

# 12

Now leave your review by selecting a star rating.

If you wish, add your thoughts in the text box.

Click **'Post'** to submit your review.
